UX Design Intern

Lloyds Banking Group (Virtual via Forage) – **Remote**

June 2025

- Completed an advanced UX design virtual internship focused on real-world product design challenges.
 - Conducted user research, created user personas, and built wireframes and high-fidelity prototypes.
 - Applied accessibility principles to improve inclusiveness in digital banking interfaces.
 - Collaborated virtually in a team-based scenario to redesign a mobile banking feature.
-

Academic Projects

Portfolio Website

Built a personal portfolio website using HTML, CSS, and JavaScript.

Deployed on GitHub Pages with a responsive layout.

Task Management App (React.js)

A simple to-do app with add/delete/update functionalities.

Used React Hooks and local storage for data persistence.

Experience

Bench Sales Associate

3S Business Corporation

Key Responsibilities:

Bench Sales

Managed and marketed bench consultants (H1B, GC, USC) across technologies like Java, .NET, QA, BA, etc.

Built strong relationships with implementation partners and prime vendors.

Negotiated rates and closed deals for bench candidates.

Created and customized resumes as per client needs and job requirements.

Submitted consultants to daily hotlist and job portal postings.

Accomplishment

NSS Accomplishment – College Fest (Bullayya College)

Actively participated as an **NSS volunteer** during the annual college fest at Bullayya College, Visakhapatnam.

Played a key role in organizing and managing stalls, guiding visitors, and ensuring smooth coordination among departments.

Contributed to event discipline, crowd control, and eco-friendly practices throughout the fest.
